Order thereon.

It appears from the
correspondence read above
that a certain number of
very poor and deserving
Sanskrit Students were

formerly being fed in the Chattram at Mysore and that the practice was discontinued in consequence of the direction contained in Pro: No. 716-7 Jud 7-51-93 dated 30th December 1899 to the effect that the feeding in the Chattram should be strictly confined to bona fide travellers.

2. The Palace Controller now reports that the prohibition has caused much hardship to a number of really poor and helpless Sanskrit Students and he therefore recommends that sanction may be accorded to feed as before, a limited number of Sanskrit school-going

Students not exceeding 30 in number in H.H. the Maharaja's Chattram. The Palace Controller also promises that he will make arrangements to feed these students in the Chattram without exceeding the sanctioned allotment of Rs 500 provided for feeding travellers and without any inconvenience to bona fide travellers.

3. Under these circumstances the Govt are pleased to sanction the Palace Controller's recommendation, on the understanding that the Concession is allowed to only ~~Sanskrit~~ of the Maha Sanskrit College Such Students as have no permanent home in the Mysore City and have no

means of subsistence while there, and subject to the condition that the Govt. grant of Rs 500- per mensem made for the feeding of travellers is not exceeded. A list of the students selected from time to time, for the Concession, with particulars as to the circumstances relating to each, should be submitted to this Office.

4. The Palace Controller is also requested to report in consultation with the Committee of the Sanskrit College whether the scholarships, if any, held by the students selected for being fed in the Chatram may be withheld, in whole or in part, and placed at the credit of the Chatram, and if so, what the amount thereof will be.
